

Range: Sanifirst - Healthcare taps

Ref: 75712 - MASTERMIX thermostatic washbasin one-hole mixer-Deck-mounted without drainage

> Benefits of the product

- French norm "NF Medical" certified E.C.A.U.M : E00 Ch2 A3 U3
- MASTERMIX PATENTED RANGE
- Ingenious combination of a ceramic cartridge and thermostatic cartridge: safety and reliability.
- No cross-connection between hot water and cold water.
- Without check-valves
- Body with smooth interior: limits the risk of bacterial proliferation
- Dual safety temperature limiter (38°C and 41°C) and adjustment of maximum flow limiter
- Temperature stability and anti-scalding safety
- Quick and easy Installation and maintenance.
- Safe thermal shock: only accessible by technical staff

> Anti-scalding safety

- Temperature knob with double temperature limiter at 38 ° C and 41 ° C. Unlocking secured for thermal shock and accessible only by technical services without removing the knob.

> Anti-bacterial proliferation safety

- Unique DCW AND DHW anti-intercommunication system, produced by the association of a specific ceramic cartridge and a thermostatic cartridge conforming to NF EN 1111.

> Model

- Deck mounted basin mixer, without waste
- Height under spout: 191 mm
- Projection: 125 mm - Swivel spout
- Ceramic cartridge and thermostatic cartridge conforming to NF EN 1111

> Flow rate

- Factory set at 6 L / min.
- Maximum flow rate adjustable to 6 - 9 - 12 L / min by the manager.

> Recommended pressure

- 3 bar - avoid pressure differences greater than 1 bar between DHW and DCW.
- Minimum pressure: 1 bar.
- Maximum pressure: 5 bar.

> Materials

- Knobs in chromed Zamak.
- Forged brass body.

> Connection

- Flexible M10x1 captive nut G'3 / 8 Lg 360 mm, and filter seal

> Warranty

- 10 years against any manufacturing defect.
- 3 years for the thermostatic cartridge.
