

HEALTHCARE TAPWARE

Sink mixer tap span 150 mm with extruded spout - 75723

Benefits of the product

- Ergonomics: the elbow control is easy to grip
- Hand hygiene: avoids hand contact
- Multi-function cartridge: temperature limiting stopper with 7 position settings, double flow and maximum flow setting
- Water savings, safety of use and controlled water consumption.
- Directional spout with long projection: easier washing
- Star-shaped aerator: limits water spray, no water retention
